Your Fellowship Year at KIPP Columbus

At KIPP, we support you throughout your career.
INSPIRE Teaching Fellows make a commitment to teach for a minimum of three years at KIPP Columbus, with the first year spent training in a classroom alongside a highly effective teacher. Upon successful completion of the program, Fellows are assigned a full time teaching position with KIPP Columbus. The paid fellowship year offers a rigorous development program, including opportunities to:

- Learn from and work alongside a mentor teacher who has a track record of success.
- Collaborate with a cohort of Fellows working on similar challenges and areas of growth.
- Assist with classroom instruction, taking on increased responsibility throughout the year.
- Participate in targeted professional development opportunities in the areas of; best teaching practices, instructional planning, data analysis, and classroom management.

Requirements to Apply

- Passion for changing the lives of ALL students
- Commitment to going above and beyond to prove the possible
- Ability to persevere with a sense of optimism
- Desire to learn and growth with our Team & Family
- No experience in education needed
