Dear KIPP Columbus Families:

Thank you for your continued partnership as we continue in this first week of our extended closure. It’s been inspiring to see the awesome learning happening remotely and it’s only day 2! Very grateful for our entire KIPP Team and Family!

As shared last week, KIPP is committed to ensuring that every KIPP student has a computer to engage with online (remote) KIPP learning opportunities, and we are working hard to ensure -- that during these next two weeks -- everyone who needs a computer gets one. A family tech survey went out on Friday (thanks for the incredible response!), and KIPP distributed it’s first round of computers (700!) yesterday.

Aligned with our food distribution on Mondays, we will also be distributing computers (times listed below). If you are unable to make any of these times because you are considered an essential worker or are unable to get to campus, please reach out to us at kippoffice@kippcolumbus.org (614-263-6137) and we will work together to make arrangements.

In partnership,
