COVID-19 TESTING

When and where you need it most

The Ohio State University Wexner Medical Center is offering COVID-19 testing in your northeast Columbus neighborhood.

Do you have any of the following symptoms?

- Fever of 100 degrees or more
- Chills
- Sore throat
- Headache
- Loss of taste or smell
- Cough
- Chest pain
- Shortness of breath
- Nausea or vomiting
- Diarrhea or stomach pain
- Muscle aches

If so, you may have COVID-19. Please call 614-366-6800 to find out if you should be tested. Be sure to say you are calling for community testing.

We will accept patients regardless of ability to pay. We accept Medicaid, Medicare and all major insurance.

The sooner you know, the better. Testing can help you, your family, your friends and co-workers.

Wexner Medical Center Community Testing Center at KIPP Columbus
2900 Inspire Drive
Columbus, OH 43224

Please call 614-366-6800 before arriving at the testing center.
